Precious Memorials

DLDgraphix

This memorial website was created to remember My  
Husband Dave Charles Gates who was born in United States Wildwood, New Jersey on December 31, 1944 and passed away  
on April 10, 2005 at the age of 60. You will live forever in My memories and heart

The background is a textured, light beige or cream color with a subtle, mottled pattern. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly curled, while the one on the right is larger and more fully bloomed, showing more layers of petals. Both roses are rendered in a soft, slightly faded tone that blends with the background.

Hi Fran just wanted to wish you and Dave congratulations! Lucky you to be having two more grandchildren on the way! It sounds like your really excited to be having a granddaughter. After sixteen years, I think she will get spoiled rotten. I'm sure Dave is glowing.

Dave was a very lucky man to have you as his loving wife. I am so glad that you had a nice trip with him, before his passing. It's amazing how things work out sometimes.

I am working on Angie's new site, so much to do again. But it's worth it. You did a nice job on Dave's site.

Take care and keep in touch

Hugs, Donna
